

**RESOLUTION NO. 2020-\_\_\_\_\_**  
**RESOLUTION OF THE BOARD OF SUPERVISORS AMENDING RESOLUTION 2020-27**  
**BARRING EVICTIONS IN MARIN COUNTY DUE TO THE PUBLIC HEALTH EMERGENCY**  
**ARISING FROM COVID-19**

**WHEREAS**, on March 24, 2020, the Marin County Board of Supervisors adopted Resolution No. 2020-27 Barring Evictions in Marin County Due to the Public Health Emergency Arising from COVID-19 (“the Eviction Ban Resolution”, attached hereto as Exhibit A), and this Resolution hereby adopts and incorporates by reference all findings included with Resolution 2020-027; and

**WHEREAS**, since the Eviction Ban Resolution was adopted, on March 27, 2020, California Governor Gavin Newsom issued a new executive order banning the enforcement of residential eviction orders for renters affected by COVID-19 through May 31, 2020; and

**WHEREAS**, On March 31, 2020 the Health Officer of the County of Marin issued a Revised Shelter in Place Order extending the restrictions in the March 16, 2020 Shelter Order; and

**WHEREAS**, on April 6, 2020, the Judicial Council of California adopted temporary emergency rules, effectively suspending action on or entry of default in eviction cases and suspending judicial foreclosures, except where necessary to protect public health and safety, through 90 days after the Governor declares that the state of emergency related to the COVID-19 pandemic is lifted, or until amended or repealed by the Judicial Council; and

**WHEREAS**, California Government Code sections 8630 and 8634, and Marin County Code Section 2.99.035 empowers the Board of Supervisors and the Director of Emergency Services to make and issue rules and regulations on matters reasonably related to the protection of life, property and the environment as affected by a local emergency, as defined by Government Code section 8558, based on the Proclamation of Local Emergency; and

**WHEREAS**, the County of Marin, pursuant to its police powers, has broad authority to maintain public peace, health, and safety of its community and preserve quality of life for residents throughout the County; and

**WHEREAS**, as a result of the State of Emergency and the subsequent prohibitions on large gatherings and the issuance of a Shelter-in-Place Order, locally and now state-wide, many County residential and commercial tenants continue to experience sudden and substantial income loss due to business and school closures, layoffs or reductions in work hours and extraordinary medical expenses, making it challenging for them to pay rent on time and thus, more likely to face the prospect of eviction; and

**WHEREAS**, housing instability continues to threatens the public peace, health and safety as eviction can lead to homelessness; loss of community; stress and anxiety caused by the experience of displacement; interruption of the education of any children in the home; increased incidence of families moving into overcrowded conditions creating greater risk for the spread of COVID-19; as well as increased difficulty in complying with the Health Officer’s Shelter-in-Place Order and a corresponding increased risk to public health and safety; and

**WHEREAS**, without local protection, eviction notices for failure to pay rent are likely to

surge as residents and businesses are unable to earn income due to the pandemic, or are forced to pay substantial medical expenses associated with the pandemic; and

**WHEREAS**, it continues to be essential, to the maximum feasible extent, to prevent displacement and homelessness due to the COVID-19 emergency, not just by suspending evictions for non-payment of rent, but also by suspending certain types of no-fault evictions; and

**WHEREAS**, given the severe consequences to public health and safety throughout both unincorporated and incorporated areas of the County that would result from evictions of residential and commercial tenants during the State of Emergency, the County finds and determines that a temporary moratorium on evictions based on non-payment of rent due to COVID-19 or the government response to COVID-19, is necessary to curb the spread of COVID-19 across all areas of the County and contain the virus to the greatest extent possible and thereby serve the public peace, health and safety; and

**WHEREAS**, this emergency regulation is necessary for the protection of life throughout the entire jurisdictional boundaries of the County, given the County-wide nature of the proclaimed State of Emergency; and

**WHEREAS**, in adopting this Emergency Regulation, the County is taking action pursuant to Executive Order N-28-20 consistent with its authority under Government Code Sections 8630 and 8634 and Chapter 2.99 of the Marin County Code; and

**WHEREAS**, pursuant to Health & Safety Code Sections 101040 and 101080, the Public Health Officer has the authority to issue orders necessary to protect public health and safety in times of a locally declared health emergency; and

**WHEREAS**, the Public Health Officer has concluded that continued evictions in Marin County during this critical phase of the COVID-19 virus crisis would adversely impact public health and pose a grave danger to the health and safety of the residents of Marin County; and

**WHEREAS**, the Public Health Officer recommends that the Board of Supervisors of the County of Marin adopt this Resolution updating and extending the County's Eviction Moratorium and concurs in its issuance.

**NOW, THEREFORE, BE IT RESOLVED that the Board of Supervisors finds that the foregoing recitals and true and correct; and**

**BE IT FURTHER RESOLVED** that the Board of Supervisors of the County of Marin finds that conditions of extreme peril to the safety of persons and property have arisen throughout Marin County and a local emergency now exists in Marin County so that urgent measures to promote stability for residential and commercial tenancies are necessary to protect public health and to mitigate the economic impacts of COVID-19; and
